ELLE PROMOTION

# A new dimension of luxury

MY ELLE Club is giving away a **three-day, two-night stay for two** at **X2 Samui** worth **RM6,709** to one lucky member.

X2 Resorts (pronounced 'cross to') is a privately owned chain of design hotels based out of Thailand. At X2 Samui, each private villa fuses modern and classic design elements to create stylish rooms, complete with private pool. The general areas, such as the 100-metre beachfront and 50-year-old trees, remain untouched for a peaceful and tranquil ambience.

Indulge at the resort's unique Yan Spa, which provides relaxing treatments and massages, while on the beachfront, the 4K (pronounced 'fork') Restaurant & Bar, offers al fresco dining. To add to the experience, all X2 Resort staff put your privacy first. Visit [X2lobby.com](http://X2lobby.com) for more information.
